A unique cast of veteran entertainers performing a variety of "Classic Country", "Rhythm & Blues" and "50's & 60's Rock and Roll" favorites. John Lynch, Mike Schlenker, Randy & Todd Sinz & Denny Marion formerly of Big Butt & the Brewmasters, take their considerable life and musical experiences and put them into every song they play. Each has performed professionally with various groups across the US and beyond for more than 25 years.

Emerging as a respected artistic entity, these knowing and skillful entertainers bring a new illumination to some of America's most loved music. Each performance of Ranger Rudy and the Swingin' Wingtips delivers an eclectic mix of personal and fan favorites. With a balance of vintage sound and contemporary attitude, this charismatic band of brothers possesses a keen wit that allows their intelligence and good humor to shine through.

Some of Ranger Rudy and the Swingin' Wingtips songs will smolder with emotion, others will dance with finger snapping gusto, all however, will be memorable.
